February 2021

Help us keep our Wildcats healthy!!

Please make sure your child is wearing a mask every morning when leaving for school. It would be helpful to keep an extra in your child's backpack! Masks **MUST** be worn over the nose while on the bus and in the school building!

Lake County Public Library has an announcement for our Wildcat families:

This year's Read-a-thon will take place from January 11-February 22. Each participating school will receive a third of the total money earned from their students. Instead of passing out materials in the schools, the public libraries will be offering two different ways students can participate and access materials:

1. Students may pick up and return their sponsor envelope at any of the library branches.
2. Students may register online through our website and their sponsors may also make online payments for any specific participant.

Every student who participates earns an award, as well as gift certificates for the top ten students within each school district in the branch location. If you have any questions, contact Ingrid Norris at 219-769-3541.

Office News

Our Watson students go outside for recess as often as possible. Please make sure your child is dressed for the weather. We go outside daily if the temperature is 20 degrees or above and the conditions are dry.

Please make sure that your phone and email information is updated in SKYWARD. It is important that this is updated. It will keep you informed when important messages and emails are sent out to our families.
